

CONTRACEPTION (FPC)

SPID# _____ Date: _____ Interviewer: _____

The next set of questions asks you about your thoughts and experiences with family planning. Please circle your answers, and remember that all of your answers will be kept confidential.

1. [FPC.010] Some things people do to keep from getting pregnant include not having sex at certain times, using birth control methods (such as the pill, implants, shots, condoms, diaphragm, foam, and IUD), having their tubes tied, or having a vasectomy. Are you or your partner doing anything now to keep you/her from getting pregnant? **If you have more than one partner, please answer these questions about your usual partner.**

No (If you chose "No," please go to Question 3 on Page 3)

Yes (If you chose "Yes," please go to Question 2 on Page 2)

Refused (If you chose "Refused," you have completed the
Contraception Questionnaire)

Don't Know (If you chose "Don't Know," you have completed the
Contraception Questionnaire)
